Amendments to the Specification:

Please change the title of the invention to the following:

Portable Communication Device With Two Housings Connected By Cylindrical Hinge

Please replace the paragraph beginning at line 9, page 1, with the following amended paragraph:

In general, "portable communication devices" ~~refers to~~ are devices that are portable and enable owners of the devices to communicate ~~in a~~ wirelessly. On the basis of their structure, portable communication devices may be classified into several types. For example, portable wireless terminals may be classified into a bar-type wireless terminal, a flip-type wireless terminal, and a folder-type wireless terminal. The bar-type wireless terminal has a bar-type single housing, the flip-type wireless terminal comprises a bar-type housing and a flip portion pivotally attached to the housing, and the folder-type wireless terminal comprises a bar-type housing and a folder portion pivotally attached to the housing.
